

Mosaic Theatre—=— Women of Faith

Women of Faith can be used in various ways. It stands by itself as a musical theatre production for your own church or group of churches, but you could consider sharing this event with other churches and groups. You can be assured of a high standard of performance as the actors, singers and musicians are experienced professional performers having appeared in the West End and, Repertory Theatre, in Churches and Concert Halls and on Television and Radio.

Profile: Local Press are always looking for local events and this might be a good opportunity to introduce your church to a wider community. We can provide press releases, biographical information, fliers and posters to engage the interest of your local media, and help publicise the event as widely as possible. We may also be available for press or radio interviews prior to the event.

Costs: The basic cost of booking this production is £450 plus travel expenses. We can be flexible, but please bear in mind that professional artists earn their living from performing! This cost also includes fliers, posters and press releases, and full telephone support to help you to publicise your event. **Joining forces with other churches** may help to spread the cost, increase publicity and sell more tickets! 100 tickets at £5.00 basically covers performance costs, so if you add more to the ticket price or sell more tickets, you could also raise your own funds for your church, mission or charity. **We will do everything we can to help you make this a successful event!** Costs are always negotiable so if you are worried about cost, *please call* to discuss as we may be able to help or reduce the cost in certain circumstances.

Schools: If you would like to consider the possibility of a **school visit**, this is costed individually as school budgets vary considerably.

PRESENTS

A Musical Theatre Production based on the lives of Women of Faith throughout the ages

*Devised by
Catherine François*

Here are scenes in words and music, from the lives of women of faith throughout the ages. The production shows the impact of their faith on their own lives, the people around them and future generations. We offer you a kaleidoscope of women: social reformers, missionaries, religious figures, ordinary wives and mothers, mystics, musicians and authors.

We present Women of Faith living and working in many different situations and show how they continue to influence and enrich our society today. This vibrant, thoughtful and dramatic portrayal of real lives delivers a message of great courage, love, endurance and above all, hope.
